2) League Office Closed for Conference

The League's Annual Conference begins Saturday and runs through Monday. League offices will be closed on Monday, October 12 for conference and Tuesday, October 13 for a staff holiday. In addition, League attorneys are attending the City Attorneys Association of Kansas Fall Conference tomorrow, but will answer legal inquiries as soon as possible on Wednesday, October 14. See you at conference!

3) League Testifies at Hearing on Transitioning to November Elections

On Tuesday, at the Special Committee on Ethics, Elections, and Local Government, the League testified about the actions cities are taking to transition to November elections. In addition, a representative from the Secretary of State's office indicated that the office is accepting the League's request to issue rules and regulations authorizing April 2016, city elections. The language is not finalized yet, but we believe these regulations could provide sufficient authority for April 2016, elections to take place. We will let you know as soon as that language is finalized.
