CLEARING YOUR PATH TO COMPLIANCE

Gina Meyer
Executive Director
AATA

For over 20 years, Gina has led business operations, marketing, sales, and client services and managed teams effectively. She is an experienced leader with particular strength in strategic planning, sales and marketing, and business and relationship development. Her immediate prior work including launching a national association within the medical spa industry serving the needs of physicians, owners, managers and nurses for regulatory and legal compliance within the United States on a state-by-state basis. In a short period of time, Gina led the American Med Spa Association in growing to over 1,000 members with multiple vendors and a calendar of multiple well-attended events throughout the U.S.
