## Important Security Information

As technology continues to expand, so does the intent to send phishing email messages from online hackers. Please read the following to protect yourself and your email account from hackers.

- **All AATSP email accounts** end with the domain **@aatsp.org** and most email messages include the AATSP seal and logo.
- The content of the email messages we send always pertain to the AATSP and/or our programs and activities.
- The "TO" line is typically hidden to public viewing so that your personal information is protected.
- Please do not open any email messages that seem suspicious.
- Please do not click on any links that seem risky.

If you question any email message that you receive, please forward to the AATSP before responding.
