AATSP Website Re-Design

Over the next several weeks the AATSP website will undergo a series of updates, including the consolidation of menu items, the updating of the homepage design, and the addition of new functions. We appreciate your patience as we work through multiple phases of redesign.

Solicitud de colaboración en investigación

Un estudiante doctoral de España necesita ayuda en un trabajo de investigación que está desarrollando en el marco de su tesis doctoral. La ayuda consistiría en analizar las creencias que tienen los profesores de español acerca de los estilos de aprendizaje. Para ello, le estaría muy agradecido si pudiera completar un cuestionario al que habría que dedicar unos veinte minutos.
