Professional Opportunities

Língua da Gente at the Olympics

To celebrate "the thrill of the competition," Língua da Gente announces a special series of Portuguese language podcast lessons about the Olympics. Starting June 14th, and continuing every week until the end of the Olympics, join host Prof. Orlando R. Kelm to get us all geared up for the games, in Portuguese no less.

[Língua da Gente](#) is part of the [BrazilPod](#) collection of open access, free to use, creative commons, and online language materials from [COERLL](#) at the University of Texas at Austin.
