Notes:

1. Being named to a 2018 World Championships Training Squad does not guarantee an athlete has a racing opportunity at a World Championship event.
2. World Championships Training Squads will follow specific World Championships Squad Pathways agreed upon by the athlete and the National Team Coach.
3. If an ODP athlete is not named to a World Championships Training Squad they can follow the challenge process detailed in the ODP outline (attached)
4. If an ODP athlete is not named to a World Championships Training Squad they can set a goal of following one of the suggested ODP Pathways,
5. ODP Pathways are an opportunity for an athlete in consultation with their club coach and National Team Coach to set realistic goals for 2018.
