

The Mission of the Academy of Neonatal Nursing is to provide quality neonatal education and programs at a reasonable cost to all newborn health care professionals.

The Academy of Neonatal Nursing achieves this mission through professional, peer-reviewed publications, national conferences, online resources, and other educational offerings in order to advance the knowledge of its members in providing superior patient care.

Our dedication to your education is absolute. Using techniques that provide cost-effective learning modalities, the Academy strives to make your membership dollar stretch as far as possible.

The membership benefits of the Academy are tangible. The dues are reasonable. Why not join the more than 7,500 NICU nurses who make the Academy of Neonatal Nursing™ the world's largest neonatal nursing association and begin to enjoy your own benefits today?

The Academy of Neonatal Nursing™ supports the Foundation for Neonatal Research and Education by donating a portion of your dues to further important neonatal nursing research.

Here's what members are saying

about the journal...

"I love the journal—and use it often for teaching."

"Neonatal Network always has timely articles."

"I depend on the journal to stay up to date."

"I love Neonatal Network, it is a good resource for NICU nurses."

about our website...

"I like all of the different offerings the Academy provides especially the free CEUs and being able to do them online. The information provided through the Academy is pertinent to my practice."

"The academyonline.org provides quality neonatal education—well done!"

about our eNewsletter...

"Thanks so much for the Academy Connection! It is wonderful to have one place that links us to so many other professional organizations, HOT new data and pertinent information that impacts our daily nursing practice. I'm so glad I am an ANN member and receive such a useful, time saving benefit. Excellent job!!"

about our conferences...

"The speakers of the sessions I attended were excellent; very dynamic and well-organized. I know I will be able to use the information I have learned in my work environment."

"Great topics and speakers. Very learner-friendly."

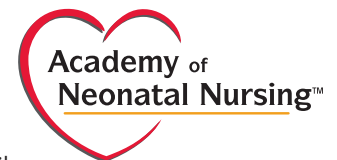

"Thank you all for an amazing wealth of fabulous information. It was wonderful to be able to engage with knowledgeable and enthusiastic discussions allowing me to meet super people. I am thrilled to have been part of everyone's amazing ideas and found so many wonderful resources. I cannot wait to bring these wonderful ideas to my practice. Thank you for a wonderful and valuable conference. I truly enjoyed all the knowledge every speakers brought."

"Very good selection of speakers and good quality. Very nice breakdown of sessions for certification."
