

15th National Neonatal Nurses Conference

September 17–19, 2015

Preconference Day September 16

Walt Disney World Swan & Dolphin Resort • Orlando, Florida

Why Attend?

- Earn 25+ CNEs
- ANN's Conference Guarantee
- Group Discount
- NCC Coding Provided
- Resort Destination
- Nothing Replaces the Experience of a Live Conference!

2nd ANNUAL Symposium for Nurse Leaders

September 16–17, 2015

Special Program for Nurse Managers and Nurse Directors

Kudos from Past Attendees

"It was my first national and professional conference, and as a newer and younger NICU nurse I learned a lot and broadened my learning/education. It was really exciting!"

"I am amazed at all of the great research being conducted with the neonatal population. Kudos to all of those who took the time to report their research or projects!"

"ANN continues to offer quality educational opportunities which fulfill my NCC requirements."

Join us!

We are thrilled to be heading back to Orlando. It's the perfect destination to combine your education with a vacation! Plan your trip today to the Swan & Dolphin Resort at Walt Disney World. Whether it's a trip for your family, couples, single travelers, or with friends, you'll find so many things to do in Orlando. Orlando offers unique experiences for every visitor to ensure an unforgettable vacation. Whether that means theme parks or on the golf course, an Orlando getaway is whatever you want it to be. Search from theme parks, attractions, arts and culture, shopping, spas, golf, dining, outdoor adventures and nightlife to build your perfect itinerary. The conference hotel has a Disney ticket office on-site where you can purchase tickets in advance, and complimentary transportation is provided to Disney parks.

At this conference you'll discover a wide variety of general and concurrent sessions to meet your educational needs. The program is designed for all levels

of neonatal nurses from the novice nurse to the experienced practitioner. There is something for everyone. Explore the program below, note the renowned speakers, and see how this conference allows you to stay as cutting-edge and up-to date as possible to provide the best care to your tiny patients. Engage with your neonatal nursing colleagues with lively poster and podium sessions. Return to your unit motivated and inspired to provide the best care to your patients and families.

We are pleased to bring back a special track for Nurse Leaders and Managers (see page 3).

See you in Orlando!

Purpose of this Conference

The purpose of this conference is to provide clinically current information on the technical, medical, and nursing aspects of neonatal care as well as the legal and ethical implications related to that care. The educational sessions provide information to nurses and other health care professionals who care for newborn, premature, and ill infants and their families. Specific objectives for each presentation will be listed in the conference program materials.

Conference Scholarships Available For ANN Members

Visit academyonline.org/scholarships for information and applications.

Call for Abstracts

We invite you to share your knowledge and expertise with your colleagues at the 15th National Neonatal Nurses Conference. Have you developed an innovative program, completed a research study, or provided exceptional care for a select group of neonates? Please consider developing a poster or podium presentation to share with your colleagues from across the U.S., Canada, and abroad.

Go to academyonline.org/conferences for guidelines and submission forms. Deadline for abstract submission is July 1, 2015.

Conference Hotel

Walt Disney World Swan & Dolphin Resort
1500 Epcot Resorts Boulevard
Lake Buena Vista, FL 32830
Phone: 800-227-1500

Check in 3:00 PM

Check out 11:00 AM

Single/Double \$179 + 12.5% tax

Triple/Quad \$204 + 12.5% tax

Rate includes resort services package that includes complimentary bottled water replenished daily, high-speed Internet access, and unlimited use of the fitness center.

Reservations must be received no later than August 14, 2015. Reservations made after this date will be on a space and rate available basis. Make your hotel reservations online at academyonline.org or call 800-227-1500.

ANNUAL SYMPOSIUM FOR NURSE LEADERS

This symposium includes one and a half days of management/leadership content available for 8.75 CNE credits. On the first day we have planned a special half-day workshop featuring content focused on leadership as well as opportunities to interact with other nursing leaders. On the second day, join us for the opening general session speakers at the National Neonatal Nurses Conference in the morning, then reconvene in the afternoon for our special leadership track.

Wednesday, September 16

7:30 AM–5:30 PM Registration Open

1:00–5:00 PM

040 New Strategies for Successful Leadership: Tips for Aspiring and Seasoned Nurse Managers and Administrators in Neonatal Settings **NNP 5 NIC 4**

Laura Mahlmeister, RN, PhD

Dr. Mahlmeister describes the current challenges that new and experienced nurse managers, leaders, and administrators face in neonatal and mother-baby settings. The rise in claims of leadership negligence and criminal misconduct are discussed. Essential leadership responses to patient–family complaints, unusual occurrence reports, and sentinel events are described. Foundational skills required for today's nurse leaders are defined. Participants are guided in the use of leadership resources including the "Centers for Medicare and Medicaid Services and the Joint Commission Crosswalk," Conditions of Participation for Hospitals in Medicare and evidence-based publications that increase the safety and efficacy of care. Electronic resources available for leaders are also identified. Attendees will have an opportunity for discussion of common leadership dilemmas during question and answer periods.

Thursday, September 17

Participants attend morning general sessions.

1:30–2:30 PM

115 Payment for Performance? A New Landscape **NNP 5 NIC 4**

Sally Bankston, RN, BSN, MA

The national landscape around health care reform is ever changing. Ms. Bankston focuses on the shift to value-based care versus a fee-for-service model of reimbursement. The influence of patient expectations, expense management, regulatory reporting, innovation, and quality outcomes will be reviewed for their impact on the "bottom line".

2:30–3:45 PM Exhibits Open and Poster Viewing

3:45–4:45 PM

125 Creating a Culture of Innovation—One Hospital's Story of Success **NNP 5 NIC 4**

Karen Tilstra, PhD

This fast-paced presentation highlights Florida Hospital's success at creating a culture of innovation through the Florida Hospital Innovation Lab (FHIL). You will hear the exciting journey of FHIL's launch and specific examples of transformational innovation outcomes that were created in FHIL. Learn why innovation is vital to your practice and organization and how it will keep you relevant in a rapidly changing world.

Preconference Day

Wednesday, September 16

Registration open Tuesday, 4:00–7:00 PM

7:30 AM–5:30 PM Registration Open

7:30–8:00 AM Breakfast selections provided by ANN

Preconference Workshops

8:00 AM–4:30 PM Full-Day Program (6.5 contact hours)

010 Improving Outcomes for the Small Baby **NNP 3 NIC 1**

Jenn Gonya, PhD

Erin L. Keels, MS, APRN, NNP-BC

Elizabeth Martin, MSN, RNC

Leslie Thomas, MS, APRN, NNP-BC

This preconference event will feature the Nationwide Children's Hospital of Columbus, Ohio, Small Baby Program. Join them and learn how they used quality improvement methodology, evidence-based practice, and inter-professional collaboration to improve short- and long term outcomes for neonates born less than 27 weeks gestation.

8:00 AM–12:00 PM Half-Day Morning Program (3.75 contact hours)

020 Neonatal Pharmacology: What Do We Need to Know and What Can We Learn? **NNP 4 NIC 3 Rx = 3.75**

Jennifer L. Placencia, PharmD

Our speaker discusses neonatal developmental pharmacology and pharmacokinetics as they relate to some of the most commonly used medications in the NICU and in ECMO patients. She will discuss medication use during pregnancy and lactation and the impact on the neonate. Also presented is an update on new alternative lipid therapies.

1:00–5:00 PM Half-Day Afternoon Program (3.75 contact hours)

030 Simulation Training: Using Drills to Improve Outcomes **NNP 5 NIC 4**

Cindy C. Ault, MSN, CNS-OB, C-EFM, CCNS

Simulation exercises and drills are among the most useful tools for planning, developing, testing, and evaluating responses to emergency situations requiring immediate interdisciplinary response. In this session we explore the tools and strategies available in order to improve training, evaluation tools and procedures, decision-making exercises, developing teamwork, and improving response times.

Main Conference

Thursday, September 17

6:45 AM–4:45 PM Registration Open

General Sessions

6:45–7:45 AM Breakfast selections provided by ANN

7:45–8:00 AM Welcome/General Announcements

8:00–9:00 AM

GS 101 Family-Centered Care: The Big Picture **NNP 3** **NIC 1**

gretchen Lawhon, PhD, RN, CBC, FAAN

Each infant is the cherished son or daughter within his or her family. In the NICU, professionals care for infants within the context of their family. From admission through discharge, parents and family members are partners and collaborators in the care of their infant. This philosophy and numerous strategies for success are identified and explored in this keynote session.

9:00–10:00 AM

GS 102 Outcomes of Neonates at the Borderline of Viability **NNP 3** **NIC 1**

David Burchfield, MD

Dr. Burchfield discusses the data on survival and disability rates at very low gestations. He also discusses why there appears to be such a discrepancy in outcomes data in the literature. Also explored is how these outcomes are perceived by parents and survivors.

10:00–11:15 AM Refreshment Break—Please Visit Exhibits and Posters (Coffee, Tea)

11:15 AM–12:15 PM

GS 103 Emerging Therapies for Neuroprotection **NNP 2** **NIC 2** **Rx = 0.5**

Rajan Wadhawan, MD, FAAP, MMM, CPE

Dr. Wadhawan discusses the clinical presentation of infants with HIE, the grades of severity of HIE, and the current literature on modest hypothermia in the management of HIE. Also explored are newer adjunct therapies for management of infants with HIE.

12:15–1:30 PM Lunch—Exhibits Open and Poster Viewing

1:30–2:30 PM A Workshops (Concurrent Sessions)

111 Developmental Care in the NICU **NNP 3** **NIC 1**

gretchen Lawhon, PhD, RN, CBC, FAAN

Individualized, developmentally supportive care for newborns requiring intensive care is a theoretically and evidence-based approach that acknowledges the infant's emerging level of competence while promoting further maturation and development. The integration of developmental care begins in the delivery room and continues throughout the infant's hospitalization. Infants are cared for in a relationship manner as active participants in their care, which is modified as needed on an ongoing basis.

112 Oral Therapy: The Whys and Hows of the Therapeutic Use of Colostrum and Mother's Milk **NNP 3** **NIC 1**

Sandra Jungers, RN, BSN, MEd

Ms. Jungers discusses the difference between oral care and oral therapy in the NICU and the benefits of establishing an oral therapy protocol in your unit using colostrum and mother's milk.

113 Pumps, Pipes, and Pressures: Keys to Understanding Congenital Heart Disease **NNP 2** **NIC 2**

Patricia Mullen, ARNP, NNP-BC, IBCLC, RLC

Congenital heart disease occurs in approximately 1 in 100 live births. It is critical for neonatal nurses to have an understanding of various congenital heart defects. Offered in this session is a step-by-step approach to identifying anatomical abnormalities and physiologic changes in order to anticipate signs and symptoms of the common and even the most complex congenital heart defects.

114 Podium Presentations

Multiple Presenters

Peer-reviewed abstracts have been selected for podium presentations. Each session has multiple presenters. These cutting-edge presentations will bring you up-to-date on innovative research and clinical practice projects. Discover what your colleagues from across the country are doing as they share their unique experiences. A balance of clinical, research, and education-themed abstracts are presented.

2:30–3:45 PM Refreshment Break—Exhibits Open and Poster Viewing (Iced Tea, Lemonade)

3:45–4:45 PM B Workshops (Concurrent Sessions)

121 ECMO Update: 2015 **NNP 2** **NIC 2**

Jose A. Perez, MD

Dr. Perez provides an overview of ECMO from its early adaption in 1980s to its current role in medical care. He provides data and statistics about utilization across the medical continuum.

122 Oral Therapy: The Whys and Hows of the Therapeutic Use of Colostrum and Mother's Milk **NNP 3** **NIC 1** (repeat of #112)

Sandra Jungers, RN, BSN, MEd

Ms. Jungers discusses the difference between oral care and oral therapy in the NICU and the benefits of establishing an oral therapy protocol in your unit using colostrum and mother's milk.

123 Noninvasive Respiratory Support for Neonates **NNP 2** **NIC 2**

Joana Machry, MD

Dr. Machry discusses systems available to provide noninvasive respiratory support to neonates. She provides evidence-based background for the use of noninvasive strategies. Also explored are indications, advantages, and disadvantages of each system and possible complications, in addition to respiratory outcomes for neonates treated with noninvasive strategies.

124 Podium Presentations

Multiple Presenters

Peer-reviewed abstracts have been selected for podium presentations. Each session has multiple presenters. These cutting-edge presentations will bring you up-to-date on innovative research and clinical practice projects. Discover what your colleagues from across the country are doing as they share their unique experiences. A balance of clinical, research, and education-themed abstracts are presented.

Friday, September 18

6:45 AM–3:45 PM Registration Open

6:15–7:00 AM Fun Run Walk

Join your fellow attendees for a brisk morning walk to start the day off right! We will venture out and get some early morning fresh air at this beautiful, waterfront resort.

6:45–7:45 AM Breakfast selections provided by ANN

General Sessions

7:45–8:00 AM Announcements/Award Presentations

8:00–9:00 AM

GS 201 Necrotizing Enterocolitis: A Look at the Evidence **NNP 2** **NIC 2**

Jacqui Hoffman, DNP, ARNP, NNP-BC

Dr. Hoffman reviews the pathophysiology of necrotizing enterocolitis (NEC). She examines infants at risk, clinical presentation, diagnostic work-up, and management of the infant with NEC. A brief review of prevention therapies is discussed.

Key:

NNP NCC code for core competency for Neonatal Nurse Practitioner

NIC NCC code for core competency for Neonatal Intensive Care

Rx Contact hours of pharmacology content

Main Conference

9:00–10:00 AM

GS 202 Neonatal Vascular Access: It is a Small World After All **NNP 3 NIC 1**

Darcy Doellman, MSN, RN, CRNI, VA-BC

PICCs are an essential vascular access device in the NICU. While there are many advantages, the neonate is one of the most vulnerable populations for CLABSI due to extended hospitalizations, necessary vascular access, and prolonged catheter dwell times. Our speaker includes up-to-date knowledge, controversies, and evidence-based practices for PICC care and maintenance.

10:00–11:15 AM Refreshment Break—Last Chance to Visit Exhibits (Coffee, Tea)

11:15 AM–12:15 PM

GS 203 Pain and the Effects on Neurodevelopment **NNP 2 NIC 2 Rx = 0.5**

Christopher McPherson, PharmD

Dr. McPherson focuses on the impact of neonatal pain and its treatment on brain growth and development. The pathophysiology of neonatal pain is explored emphasizing the impact on the developing brain. Strategies are discussed to address common indications for analgesia in neonates. Emerging strategies will be evaluated with respect to efficacy and impact on neurodevelopment.

12:15–1:30 PM Lunch on your own

1:30–2:30 PM C Workshops (Concurrent Sessions)

211 Probiotics and Prebiotics: Should We Be Jumping on the Band Wagon? **NNP 2 NIC 2 Rx = 1**

Jacqui Hoffman, DNP, ARNP, NNP-BC

Dr. Hoffman focuses on introducing new therapies while the jury may still be out. Is there evidence that supports using pre- or probiotics in the neonatal population or are we getting ahead of ourselves? Be a part of this thoughtful session.

212 Seizure Management **NNP 4 NIC 3 Rx = 0.75**

Christopher McPherson, PharmD

Dr. McPherson focuses on the management of seizures in neonates. The pathophysiology of neonatal seizures is explored along with the pharmacology of available therapies. Current treatment strategies and their efficacy will be evaluated. Novel strategies for the management of neonatal seizures are introduced with emphasis on long-term neurodevelopmental impact.

213 Compassionate Care of the Marginally Viable Infant **NNP 2 NIC 2**

Reina Sarah Mayor, MD

In light of what can be the disconcerting environment that we work in, Dr. Mayor discusses how to best care for neonates with complex, critical conditions, and how to serve our patients. She discusses the challenges of ethical decision making in the NICU. She provides examples of how we as health care providers can offer the optimal loving support to families in the NICU.

214 Ambiguous Genitalia: Molecular Mechanisms and Ethical Dilemmas **NNP 2 NIC 2**

Jorge J. Daaboul, MD

Endocrine disorders are commonly encountered within the NICU and often are associated with prematurity, low birth weight, and small-size-for-gestational age neonates. Our speaker reviews the most common endocrine disorders and provides the latest evidence-based knowledge regarding the management of these disorders.

215 Podium Presentations

Multiple Presenters

Peer-reviewed abstracts have been selected for podium presentations. Each session has multiple presenters. These cutting-edge presentations will bring you up-to-date on innovative research and clinical practice projects. Discover what your colleagues from across the country are doing as they share their unique experiences. A balance of clinical, research, and education-themed abstracts are presented.

2:30–3:45 PM

400 Interactive Poster Session

Visit the poster hall and learn what's happening in units across North America. Benefit from your colleagues' experience during this lively, interactive session. Become aware of new research findings, unique programs, and case studies. Poster authors will be available for discussion and questions.

Saturday, September 19

7:00 AM–12:00 PM Registration Open

7:00–7:45 AM Academy of Neonatal Nursing Member Meeting

General Sessions

(Combined Sessions with National Mother Baby Nurses Conference)

7:00–8:00 AM Breakfast selections provided by ANN

8:00–8:15 AM Raffle Prizes, Announcements

8:15–9:15 AM

GS 301 High Reliability in Health Care: Would Your Unit Make Walt Disney Proud? **NNP 5 NIC 4**

Kelley Shultz, MD

Explore with Dr. Shultz what "High Reliability in Health Care" means, understand why it matters to our patients, and learn about how you can achieve this in your facility and specifically in your unit.

9:15–10:15 AM

GS 302 Panel Discussion: Caring for Infants and Families Affected by NAS **NNP 4 NIC 3 Rx = 1**

Aaron M. Germain, MD

Denise Maguire, PhD, RN, CNL

Julie Long, RN, BSN, RNC-NIC

Substance use among pregnant women and the care of their infants remain forefront in the minds of perinatal and neonatal professionals. Our panel members present information on best practice for pharmacologic management of neonatal abstinence syndrome (NAS), interactions between mothers and their infants, and nursing perspective on NAS. Conference participants have the opportunity to ask questions during this moderated panel discussion.

10:15–10:30 AM Refreshment Break (Coffee, Tea)

10:30–11:30 AM

GS 303 Perinatal and Neonatal Ethics: The Role of Ethics in Preventing Moral Distress **NNP 5 NIC 4**

Patricia S. Robinson, PhD, APRN, NE-BC, CCRP

Dr. Robinson provides a brief review of clinical ethics, followed by a discussion of the role ethical analysis can play in preventing or reducing moral distress in clinicians. Clinical scenarios will be used to demonstrate the effects clear communication can have to improve the health of the work environment.

11:30 AM–12:30 PM

GS 304 Inspired Nurse **NNP 5 NIC 4**

Rich Bluni, RN

Few other professions afford the opportunity to impact lives on such a profound level, not only physically but emotionally and spiritually as well. Yet the same qualities that make nursing so deeply rewarding can also make it a challenge, over time, to sustain your energy and passion. Inspired Nurse helps us maintain and recapture those elusive qualities. Nurses must also take care of "self" in order to be able to do the challenging physical, emotional, and intellectual work that it takes to serve others. In this thought-provoking and inspirational presentation, Rich Bluni reminds nurses, and all of those in health care, why we chose this profession.

12:30–12:45 PM Conclusion

Topics and speakers are subject to change

Conference Information

Group Discount

Any facility/unit registering four (4) or more nurses together, will receive a discount of 25% for each registrant who signs up together for the full, main conference. Members and nonmembers may register in the same group; however, the discount is not valid with the "Join & Register" category. All registrations must be submitted together, no exceptions. **Please note:** *If a member of the group cancels, the group is no longer eligible for this discount, and the discount is forfeited. Cannot be combined with any other offer.*

Continuing Education

Attendees may earn up to 28 contact hours for this conference, based on a 60-minute hour. (The main conference sessions provide 14 contact hours, preconference sessions up to 7.5, and poster sessions up to 6.) Participants must be registered for the conference, attend the sessions, and complete an online evaluation to obtain contact hours.

The Academy of Neonatal Nursing is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

The provider, the Academy of Neonatal Nursing, is approved by the California Board of Registered Nursing, Provider #CEP 6261. Florida Provider #FBN 3218, content code 2505.

Application has been made to the American Association for Respiratory Care for CRCE contact hours for respiratory therapists.

Session Handouts

In an effort to keep your registration fees down, session handouts will *not* be printed in the program guide. **Handouts will be available for download** beginning approximately two weeks prior to the conference for registered attendees. Internet access is not available in conference rooms. After the conference, handouts, audio recordings, and PowerPoint presentations will be available for most sessions and you will have access for one year postconference.

The login instructions for accessing the handouts will be emailed to you when handouts become available. You are strongly encouraged to bring with you **the handouts for the sessions you plan to attend**, or download them for review after the conference. There will be room for note-taking in the program guide.

Power strips, printers, and paper copies of handouts will *not* be available on site.

Photography

Please note that attendance at the ANN conference constitutes an agreement by the participant to ANN's use and distribution (now and in the future) of the participant's image. These images are for ANN's use only and may appear on ANN's website, in printed brochures, or other promotional materials. Attendee registration constitutes consent for ANN's use of these images.

Cancellation, Transfer, and Refund Policy

- All cancellations and transfers must be received in writing. For cancellations received prior to August 13, 2015, we will refund registration costs, less a \$50 administrative fee. We are unable to grant refunds after August 13, 2015, but will gladly transfer your registration to a colleague if the request is made in writing to Anthony J. Jannetti, Inc., National Neonatal Nurses Conference, East Holly Avenue, Box 56, Pitman, NJ 08071-0056 or email your request to charlene@ajj.com.
- Refunds will be processed within 2 weeks after the conference.
- If it becomes necessary to cancel the 15th National Neonatal Nurses Conference for any reason, including labor strikes or natural disasters, liability shall be limited to a full refund of registration fees.
- Notification of a cancelled conference will be mailed at least 15 days prior to the first day of the conference, if possible.

ANN Guarantees All Conferences

If at the end of this conference you feel you didn't learn something new or useful, we'll refund your registration in full!

Travel Information

Hotel

The Walt Disney World Swan & Dolphin Resort has been designated as the official hotel for the National Neonatal Nurses Conference. A block of rooms have been reserved at a group rate of \$179 single/double, \$204 triple/quad per night plus tax, currently 12.5%. To receive the conference rate, call Reservations at 800-227-1500 and refer to the NNNC, or make reservations online at www.academyonline.org. Reservations made after August 14, 2015, will be subject to space and rate availability. This rate includes a \$14 mandatory resort services package that includes unlimited local and 800 calls up to 60 minutes, 20 minutes of domestic long distance per day, complimentary bottled water replenished daily, high-speed Internet access, and unlimited use of the fitness center featuring Westin WORKOUT®.

In the heart of the Walt Disney World® Resort, the award-winning Walt Disney World Swan & Dolphin Resort is your gateway to Central Florida's greatest theme parks and attractions. Discover the magical surroundings, superior service, luxurious facilities, and redesigned guest rooms featuring the Heavenly Bed®. The hotel has a Disney ticket office on-site where you can purchase tickets in advance, and complimentary transportation is provided to Disney parks.

Parking

Valet parking at the hotel is \$26 per day, and self-parking costs \$18 per day. Both have in and out access. (Pricing subject to change.)

Weather

The weather in Orlando will still be quite warm in September with an average high of 90 degrees and low of 75 degrees. Be sure to pack a sweater for air conditioned meeting rooms.

Airport & Ground Transportation

The resort is approximately 20 minutes from the Orlando International Airport. Mears Shuttle Service is available for \$22, one way, per person or \$36 roundtrip. Reservations are recommended. Please secure arrangements directly with Mears at 407-423-5566. Taxi service is approximately \$75 one way. (All rates are subject to change.)

Car Rental

Avis has been chosen as the official car rental agency for the National Neonatal Nurses Conference. Rates will be in effect for rental between September 9 and September 23 and will include unlimited free mileage. For details, call reservations at Avis directly at 1-800-331-1600 or make reservations online directly through www.academyonline.org. To receive the discounted rates please refer to the Avis Worldwide Discount (AWD) number **J907463**.

Can't Attend This Conference? Access the Recorded Content

Discover the convenience of viewing the conference from your home or office. You can purchase on-line access to recorded conference sessions. After the live conference, purchase the entire conference or single sessions. On your own schedule, access audio recordings synched with PowerPoint slides for all recorded sessions and earn CNE contact hours.
