4A — "Traditional v. Non-traditional Police Organization Form"

Convenor: Raymond T. Galvin, American Justice Institute

**Come over to GOODYEAR....**

### **CRIMINAL INVESTIGATION**

**Charles Swanson, Jr.**, Head, Continuing Education Program, Police Science Division, The University of Georgia  
**Leonard Territo**, Major, Leon County Sheriff's Office, Tallahassee, Florida  
**Neil Chamelin**, Administrator, Police Science Division, The University of Georgia

Unlike traditional texts, the organization of **CRIMINAL INVESTIGATION** follows the actual chronology of an investigation. This book describes offense and offender typologies, and distinguishes between the roles of uniformed officer and detective.

fully illustrated throughout with photographs, drawings, charts, and Case Histories (many based on the author's own experiences)  
 specific crime chapters examine

offense and offender typologies—putting forth in-depth, analytical views of an event that go beyond the routinely applied techniques of an investigator

all specific crime chapters deal with the investigator's educative prevention responsibility  
 the distinction between the uniformed officer and the detective is made throughout the text  
 Chapter 10—Burglary Investigation

—concludes with an **Appendix on Locks**  
 Chapter 14—Recognition, Control and Investigation of Drug Abuse—contains a **Glossary of Drug Terms** and a series of photographs on narcotics, depressants, stimulants, hallucinogens, and cannabis  
**Instructor's Manual** Contains answers to questions at the end of each chapter.  
**THE GOODYEAR CRIMINAL JUSTICE SERIES** March 1977. 6 x 9, case: Y-2059-7. 432 pages.

### **CRIMINAL JUSTICE: Introduction and Guidelines**

**A Revision of LAW ENFORCEMENT AND CRIMINAL JUSTICE**

**Paul B. Weston**, California State University, Sacramento  
**Kenneth M. Wells**, Public Defender of Sacramento County

Combining revised copy from **LAW ENFORCEMENT AND CRIMINAL JUSTICE** with seven new chapters, **CRIMINAL JUSTICE: Introduction and Guidelines** depicts the processes of law enforcement and criminal justice as a system

that begins with the causation of crime and ends with the conversion of criminal conduct to noncriminal behavior. The new material focuses on the delivery of police services (Chapters 7, 8, 9), individual rights in Supreme Court

rulings since the Burger Court (Chapter 12), sentencing standards and court-ordered due process for prisoners and parolees (Chapters 18, 19) and career advancement plans in all agencies of criminal justice (Chapter 21). 1976. Case: Y-1699-1, 367pp.

### **JUVENILE DELINQUENCY A Contemporary View**

**Thomas R. Phelps**, California State University, Sacramento

This book introduces the reader to the contemporary issues in the field of juvenile justice.

#### **Features**

Contains the first extensive discussion of the youth service bureau concept (Chapter 4).  
Explores the changing role of the police officer in the field of delinquency

prevention and control (Chapter 5).

First text to include a chapter on the state planning agency and a discussion of the principles underlying the development of a comprehensive state plan for delinquency prevention and control services (Chapter 9).

Each chapter is supported by current references allowing the reader to ex-

plore any topic in greater detail. The 100 periodicals, 19 subject indexes and additional references in the final chapter and Appendix D will make it easier for the reader to continue expanding the detailed knowledge base provided by **JUVENILE DELINQUENCY: A Contemporary View**. 1976. Case: Y-5007-3, 352pp.
