The special event Queensboro Bridge 1909-2009, co-sponsored by the AIANY Chapter, was a celebration of the centennial of the Queensboro Bridge with speakers:

Historian **Jeffrey A. Kroessler**, author of *New York Year by Year*, will present the construction of the bridge;

Historian **Peter Derrick**, author of *Tunneling to the Future*, will cover the bridge and mass transit; and

Architect **Charles DiSanto**, Principal, Walter B. Melvin, will discuss the restoration of elements of the bridge, including the terra cotta.
