

SPONSORSHIP OPPORTUNITIES

Tour Date: May 5, 2018 | 10:00 am – 4:00 pm

Event Description

Open to the public, the Home Tour showcases the finest residential architecture in Silicon Valley. Each house on the tour is designed by a local area architect and was completed within the last five years. Houses are chosen to showcase a variety of design styles demonstrating that excellence in design is not limited by size or dollars.

Throughout the day, tour participants see some of the latest residential projects from the inside out, meet design teams, explore housing trends, and discover innovative design solutions that inspire unique Bay Area living.
