Belmont Young Alumni Council

You are eligible to apply if you...
...are a Belmont graduate.
...graduated in the last 10 years.
...are currently 32 years of age or less.
...love your alma mater!
...have read and understood this application in its entirety.

The Young Alumni Council (YAC) is a group of Belmont alumni (approximately 30) who work as volunteers for the Office of Alumni Relations. The purpose of the YAC is to actively seek the involvement of alumni who have graduated in the last ten years. The primary mission of the Council is to advocate for the needs of young alumni and foster young alumni programming.

We are looking for three main qualities in our selection process of new YAC members: 1) a deep passion for Belmont University, 2) a desire and understanding to give back of time and resources to Belmont University, and 3) a well-rounded former student and individual.

We are dedicated to recruiting diverse and exceptional individuals and believe Belmont is a quality institution offering exciting opportunities to all alumni, as well as current students. The YAC assists the Office of Alumni Relations in the implementation, promotion, and participation of alumni programming.

Participation in the YAC requires a certain time commitment. The Council meets approximately 2-3 times a year as a group, but each of the committees may have a number of meetings throughout the year. Although attendance is not a requirement, it is strongly encouraged to increase the experience of being a member of the YAC and to assist the Alumni Relations Office. Along with meetings, it is strongly encouraged that YAC members participate in young alumni programming, events, and alumni programming in general, as often as possible. YAC terms range from one year to three years maximum. You may only serve on the Council one term (terms are from 1-3 years).

This application is the first step in our screening process. Following review of the applications, you may be contacted to set up an interview.

Please direct any questions to Kelly Fish, Associate Director of Alumni Relations at 615-460-6077. Thank you for your interest, and best of luck in the selection process!
