In Focus:
e-Newsletter for Mount Sinai Alumni

Winter 2015

Message from the Dean
“The formation of the Mount Sinai Health System not only provides us with a revolutionary health care model; it means we can fulfill our educational mission with unparalleled opportunities and promise. Visit our dynamic new website and update your contact information so that we may keep you posted on all our important developments.”

School News
This is an exciting and historic time to be a member of the Mount Sinai community. Here are a few reasons why:

Mount Sinai Launches Artificial Pancreas Research Study
A newly launched clinical research study at the Icahn School of Medicine at Mount Sinai is examining whether an artificial pancreas (AP) can prevent too low blood sugar levels or hypoglycemia in patients with type 1 diabetes (T1D) as they sleep.
