The Latest News

Magazine available for download

The 2008/2009 Graduates Association Magazine is finally ready and available for download by [clicking here](#). We had some terrible hold ups this time around but better late than never! We hope to send hard copies as soon as possible.

As you will see it's a very considerable production so thanks very much to all contributed to it's success. We hope you enjoy this slice of what's been going on at the Institute as well as insights into what some of our graduates are up to. Thanks also to Matt at Horizon Graphics for his great design job.

Library Ireland Week 2010

Once again this was a great success at ITT Dublin Library. Among the events were:

- Library Workers Day which welcomed library staff from several different libraries to nurture the links between our libraries.

- Many prize draws were held, sponsored by Greene's Book Shop, Collins Library Supply, The Open Book Co and Kempco Construction.
- A Library Amnesty which allowed anyone who had late books to bring them back scot-free during Library Week!
- A wonderful Robert Emmet exhibition which for the month of March. Well done to all involved.

Rag Week 2010 - Good Times

Rag Week was held during the week of 8th – 12th February this year and was as busy and successful as ever. This year's festivities included a 'Mini Brother' contest where five students were selected to sit in a mini cooper for 5 days between the hours of 10am and 6pm. Competitors competed in daily tasks with a winner decided by voting during RAG Week.

Other events included the ever-popular Mystery Bus Tour, live bands including Knights of Leon, Delerentos and The Coronas, free Paintball on campus, comedy acts in the college, a Chill-out Day with therapeutic services put on for students and various nights out including the Traffic Light Ball.

Recent Sports Successes

On Friday last in UUJ, Belfast the ITT Dublin Mens Hockey Team captained by Clive Kennedy (3rd Year Business) overcame a much fancied DIT side 3-1 to win the CUSAI www.cusai.ie Mens Hockey League. Man of the Match: Jonathan Kane (2nd Year Science).

The Badminton Team reached the Division 2 Final where they lost 4-2 to DIT. The Ladies Volleyball went down 2-1 to IT Carlow and the Mens Team lost their semi final 2-0 to eventual winners DCU.

This was the first 3rd Level multi-sport finals which also saw the resumption of

First ITT Dublin Volunteer Fair Held

This was held in the Institute on Wednesday 24th March. Over 30 agencies (some local to Tallaght, some within the greater Dublin region and some national bodies) attended on the day which turned out to be a terrific success with a real buzz around the college and a great attendance from students, staff and the general public.

The event was co-ordinated by Marie KIELTY, Bernadette Purcell and Angela Feeney in collaboration with South Dublin County Council.

Open Day at ITT Dublin

The Institute will host an Open Evening on Wednesday 14th April - 6pm - 9pm.

Watch Out - Clampers About!

On the 23rd of March the much debated Institute clamping and towing implementation began at the college. Inevitably, already there have been many victims so if you're driving in to college late be aware of the new parking rules! For more info please see the News & Events section at www.ittdublin.ie/

New Part-Time Prospectus Available

For any of you considering further study the new part-time prospectus for courses commencing in September 2010 and February 2011 is now available online. Please [click here](#)

Womens Rugby (UL), Netball (UCD) and Pool (DCU) concluded. TCD won the Division 1 Badminton again while WIT won Division 3.

Then on Saturday the Intervarsity Mountain Running Championships were held at Glendalough where Ger Butler (4th Year Engineering) won by 1 min 14 seconds from his nearest rivals from Colleges such as UCD, DIT, NUIG, GMIT and TCD. Ger is also an International Orienteer and represented the Institute and Ireland at the World Student Championships back in 2008 in Estonia.

Annual Science Research Day This Tuesday

The 8th Annual Science Research Day of the Department of Science takes place here next Tuesday. This is the annual showcase of all research taking place in the Department of Science, and in collaborating Institutions, by postgraduate students, research assistants and post-doctoral researchers.

It's not to be missed by anyone with an interest in Science Research at the Institute. Some of the research areas involved are Cystic Fibrosis, Cancer, Antibiotics, Diabetes, Irritable Bowel Syndrome, Anaesthetics and Sensors, and much more.

The day kicks off at 9:00am. For more info please see the News & Events section at www.ittdublin.ie

Have a great weekend! Take care.
