The Latest News

The summer exams are over for another year and the sense of relief around the college from students to lecturers to admin staff is palpable as usual.

Some students will be heading for the hills on summer visas to the States, some will head off to Europe and beyond on their travels. Some will be back as soon as August for repeat exams (we hope you're not!), some will return in September and for others their time in ITT Dublin is over.

We'd like to take this chance to wish everyone, whatever bracket they fall into, the best of luck with their exam results and their summer adventures. If you have finished your time here, we wish you the best in all your future endeavours and hope you stay in touch with us and your old classmates through the Graduates Association.

Remember to pass on the word to your mates about joining up as a member to receive these e-bulletins and also becoming our friend on Facebook (search for 'IT Tallaght') so we can keep you up to date with what's going on here and any graduate events or news you may be interested in.

There isn't a huge amount of other news at the moment other than we'll be going to the designer with the 2009 Magazine in the next couple of weeks and hope to have it published in early July so a big thanks to anyone who has contributed.
