

Hello Alumni,

I wanted to reach out to you and bring you up to date with everything happening at Kendall College. My name is Jennifer Ginsberg and I'm the newest addition to Kendall's Career Services department! I'll be helping all our amazing alumni with any career needs. I will also be sending out alumni updates going forward to keep the relationship between Kendall and our alumni strong.

I have a Bachelor's of Science in Psychology from Illinois State University, and I have been in the higher education field for over 10 years. I feel very passionate about helping students and alumni with their career aspirations. When I am not working, I enjoy rooting for the Cubs, going to concerts and spending time with family and friends. I look forward to improving our alumni network and I hope to meet some of you soon!
