Greetings Fellow Golfers:

Fifteen years ago, the late William “Dick” Price thought that a Homecoming Golf Tournament would be an excellent way of kicking off homecoming and raising scholarship dollars for needy students at NSU. Dick Price took his idea to the National Alumni Association and they agreed to partner with him in this endeavor. Jackson Gerst and Earl Riggs agreed to assist Dick as co-directors of the tournament. Thus, the legacy of an alumni homecoming golf tournament took root.

This year marks the fifteenth year of the alumni golf tournament. Thanks to your continued participation, approximately $140,000.00 has been raised over the years for student scholarships at Norfolk State. What better way is there to assist needy students than while enjoying a round of golf with friends?

Please take a moment and complete the attached golf registration and promptly return it along with your check or money order to the address listed below. We hope you will also become a sponsor at one of the sponsorship levels listed in the brochure.
