

## PROGRAMME

### '40 Years On - BAgrCom 1977' Reunion 21-23 April 2017

**We are pleased to confirm the Programme for your reunion and have attached the Registration Form for 21-23 April 2017.**

**Note:** The reunion consists of BAgrCom students (both Farm Management and Agricultural Economics options) and spouses who graduated in 1977 or started in 1974 but did not necessarily complete, or anyone who associates themselves with this class.

Forty years ago - 1977 – as many of us graduated from our Lincoln Experience, New Zealand as a whole was experiencing a lot of new developments too. The Beehive at Parliament was officially opened; 'Kiwi Keith' Holyoake became Governor-General, the first former Prime Minister to be given this role; future Prime Minister David Lange entered Parliament as the new MP for Mangere; Bastion Point was occupied by Ngati Whatua activists; at Lincoln the Queen and Prince Philip visited the campus; and internationally Elvis Presley died, and the Tukidales disbanded.

We have had a very good response to our previous correspondence with over 30 people indicating they will come. If you are in contact with other classmates please remind them to follow up this correspondence and **register ASAP but before 31 March 2017.**

If you or your partner want to participate in parts of the weekend, there are options to register for particular events. We believe we have the makings of a great reunion and it will be good to see as many of our old class as possible attend, including staying at the Commodore Airport Hotel. The feedback from another recent reunion (BAgrSc & BHortSc 1967 reunion, 17-19 February 2017) with a similar programme is that they all thoroughly enjoyed their reunion weekend so please make your registration now and don't just leave it till later. We will ensure that we have an interesting range of speakers at the dinners and Lincoln University.

## Other Important Information

### Accommodation

We envisage that some attendees will want to stay together as a group so we have made arrangements for this at the Commodore Airport Hotel (449 Memorial Ave, Christchurch). The cost is \$189 incl of GST per room, per night (for 1 or 2 people) including breakfast. There is a free shuttle service to and from the airport for any staying guests. Full details can be found at [www.commodorehotel.co.nz](http://www.commodorehotel.co.nz). All those who wish to stay at the Commodore Airport Hotel need to make their own booking and advise that they are part of the 'Lincoln Reunion 1977'. There are only 20 rooms reserved so we encourage you to do this ASAP.

Accommodation shouldn't be an issue at the Commodore Airport Hotel for those who get on and book early. Alternatively, there is accommodation available in the Halls of Residence at Lincoln University for \$82 per person. Please contact the Alumni and Development Office for more information.

### Photo Display

If you have any photos from your time at Lincoln that you would like to share for a photo display at the reunion, please email them to [alumni@lincoln.ac.nz](mailto:alumni@lincoln.ac.nz). The Alumni and Development Office will also happily scan originals and then send them safely back to you.

### Missing Classmates

We still have the following classmates with missing contact details, if you are able to help with locating any of these people please let the Alumni and Development Office know.
