**New Jersey General Assembly 02/21/2013**  
**Assembly Law & Public Safety Committee 02/13/2013**  
*Compiled by ANJRPC*

**Assembly Bill 588: Prohibits possession of ammunition capable of penetrating body armor.** (Note: this legislation was significantly amended following committee hearing of 02/13/13 and its impact now appears to be a ban of a single round of ammunition that is already banned by federal law. The portions that would have opened the door to a sweeping ammunition ban have been removed. See [ANJRPC's analysis here](#))
