

Cherry Ridge High Power Rifle Match Seminar

Costs: Free

Date:

http://www.anjrpc.org/?page=Range_schedule

March 12, 2018

Time: 9:00am-12pm

Open to the public.

Description:

We will conduct a Match Seminar and Clinic for 2017.

The Seminar is designed to introduce new shooters to the National Match Course (NMC) by covering the rules, equipment, and course of fire.

The Clinic will be for those who wish to get their equipment checked out to see if they have the necessary equipment and to get some one on one instruction after the seminar. The clinic will allow shooters to learn the basics of the positions while having the opportunity to fire shots from position. It will also give shooters the time to get their rifles zeroed for 200 yds so that they are ready for the first match in April.

9am-11:30am - Seminar – Club house (NO RIFLES ALLOWED!!)

- Power Point Presentation
 - Introductions
 - Safety
 - General information
 - Equipment
 - Service Rifle vs Match Rifle
 - Course of Fire
 - Pit Procedures
 - How to score
 - Mentorship Program
 - Awards

What to Bring:

- Note pad & pen/pencil
