

Cherry Ridge Range Black Powder Shooting Plan

We are a traditional black powder muzzle loader club. We shoot Rifles or Smooth bore long guns. Flint or Cap-lock. Replica of the year 1740 to 1840. Round Ball with open sights, only. No civil War or Inline guns allowed.

We have our shoots at Cherry Ridge Range in February, March and October. And every other month we are on a farm in Vernon NJ.

All of Cherry Ridge Range members are welcome to shoot in our matches as guest shooters. A \$10.00 fee is required along with an insurance waiver. For more information about our club or shoots, please visit our web site at www.GSBPA.org or www.facebook.com/GSBPApre1840

Range:

- Eye Protection, • Ear Protection
- Gun cases may only be opened at the firing tables.

Match Description:

Our Shoot Captain varies the course of fire at each event. We normally have roughly 25 shots per match.
