

**ATMAE Accredited Programs  
As of January 13, 2017**

| Institution Name                          | State | Degree                       | Program Name                               | Option Name  | Reaccreditation Date |
|---|-------|------------------------------|--|--|----------------------|
| Alcorn State University                   | MS    | Bachelor of Science          | Robotics and Automation Technologies       |  | November-22          |
| Arkansas State University - Beebe         | AR    | Associate of Applied Science | Computer Systems and Networking Technology |  | November-18          |
| Arkansas State University - Beebe         | AR    | Associate of Applied Science | Computer-Aided Drafting & Design           |  | November-18          |
| Arkansas State University - Beebe         | AR    | Associate of Applied Science | John Deere Agriculture Technology          |  | November-18          |
| Baton Rouge Community College             | LA    | Associate of Applied Science | Process Technology                         |  | November-19          |
| Bemidji State University                  | MN    | Bachelor of Applied Science  | Applied Engineering                        |  | November-17          |
| Bemidji State University                  | MN    | Bachelor of Science          | Industrial Technology                      | Construction Management                                | November-17          |
| Bemidji State University                  | MN    | Bachelor of Science          | Industrial Technology                      | Manufacturing Management                               | November-17          |
| Bemidji State University                  | MN    | Bachelor of Applied Science  | Technology Management                      |  | November-17          |
| Bossier Parish Community College          | LA    | Associate of Applied Science | Computer Information Systems               |  | November-20          |
| Bossier Parish Community College          | LA    | Associate of Applied Science | Construction Technology and Management     |  | November-20          |
| Bossier Parish Community College          | LA    | Associate of Applied Science | Cyber Technology                           | Network Security                                       | November-20          |
| Bossier Parish Community College          | LA    | Associate of Applied Science | Cyber Technology                           | Programmer Analyst                                     | November-20          |
| Bossier Parish Community College          | LA    | Associate of Applied Science | Industrial Technology                      | Automation & Controls                                  | November-20          |
| Bossier Parish Community College          | LA    | Associate of Applied Science | Industrial Technology                      | Engineering Graphics                                   | November-20          |
| Bossier Parish Community College          | LA    | Associate of Applied Science | Oil and Gas Production Technology          |  | November-20          |
| Bowling Green State University            | OH    | Bachelor of Science          | Aviation Studies                           | Aviation Engineering Technology                        | November-22          |
| Bowling Green State University            | OH    | Bachelor of Science          | Aviation Studies                           | Aviation Management & Operations                       | November-22          |
| Bowling Green State University            | OH    | Bachelor of Science          | Aviation Studies                           | Flight Technology & Operations                         | November-22          |
| Bowling Green State University            | OH    | Bachelor of Science          | Learning Design and Technology             |  | November-22          |
| Bowling Green State University            | OH    | Bachelor of Science          | Visual Communication Technology            |  | November-22          |
| California Polytechnic State University   | CA    | Bachelor of Science          | Industrial Technology                      |  | November-20          |
| California State University - Chico       | CA    | Bachelor of Science          | Sustainable Manufacturing                  |  | November-20          |
| California State University - Fresno      | CA    | Bachelor of Science          | Industrial Technology                      |  | November-20          |
| California State University - Los Angeles | CA    | Bachelor of Science          | Industrial Technology                      |  | November-18          |
| California University of Pennsylvania     | PA    | Bachelor of Science          | Technology Management                      |  | November-21          |
| California University of Pennsylvania     | PA    | Bachelor of Science          | Technology Management                      | Nanofabrication Manufacturing Technology Concentration | November-21          |
| Central Connecticut State University      | CT    | Bachelor of Science          | Digital Printing & Graphics Technology     |  | November-20          |
| Central Connecticut State University      | CT    | Bachelor of Science          | Electronics Technology                     |  | November-20          |
| Central Connecticut State University      | CT    | Bachelor of Science          | Industrial Technology                      | Technology Management                                  | November-20          |
| Central Connecticut State University      | CT    | Bachelor of Science          | Manufacturing Management                   |  | November-20          |
| Central Connecticut State University      | CT    | Bachelor of Science          | Networking Information Technology          |  | November-20          |
| Central Michigan University               | MI    | Bachelor of Science          | Product Design Engineering Technology      |  | November-18          |
| Central Michigan University               | MI    | Bachelor of Science          | Industrial Engineering Technology          |  | November-18          |
| Cleveland State Community College         | TN    | Associate of Applied Science | Industrial Technology                      | Computer Information Technology                        | November-21          |
| Cleveland State Community College         | TN    | Associate of Applied Science | Industrial Technology                      | Drafting and Design                                    | November-21          |
| Cleveland State Community College         | TN    | Associate of Applied Science | Industrial Technology                      | Electro-Mechanical                                     | November-21          |
| Cleveland State Community College         | TN    | Associate of Applied Science | Industrial Technology                      | Electronics  | November-21          |
| Cleveland State Community College         | TN    | Associate of Applied Science | Industrial Technology                      | Industrial Process                                     | November-21          |
