

WHAT IS ATMAE?

VISION:

To be the recognized leader for developing technology graduates and professionals who lead, innovate, and collaborate in a dynamic workforce.

MISSION:

To ensure that students are equipped with the right skills through our educational accreditation and certification programs that meet industry's workforce needs, and to provide professional development opportunities to maintain the competitive edge in technology, management, and applied engineering.

Since 1967, ATMAE has helped define the disciplines of Applied Engineering, Engineering Technology, Industrial Technology and Technology Management. With members at over 150 academic institutions in the United States and abroad as well as professional members working in every field of these disciplines, ATMAE is the premier association for networking with industry professionals and academicians seeking the latest innovations in the field. As we move into the future, ATMAE, through its members and programs, will continue to be the leader in developing the discipline in academia and professional industry.

Technology,
Management, and
Applied Engineering

MEMBERSHIP BROCHURE

The Association of Technology, Management, and Applied Engineering (ATMAE) sets standards for academic program accreditation, personal certification, and professional development for educators and industry professionals involved in integrating technology, leadership and design.

www.atmae.org

BENEFITS OF ATMAE MEMBERSHIP

- **Membership divisions** – sponsor projects and conference content and ListServes for areas covering: *Student, University, Community College, Construction, Graphics, Electronics/Electricity and Computer Technology, Management, Manufacturing, Safety and Women in Technology*. We also have a Focus Group on *Distance and Online Learning and Micro/Nanotechnology*
- **Award programs** recognizing the achievements of students and professional members
- **www.ATMAE.org** – The best source for content about the association, ATMAE Career Center, ListServes, Professional Certification, leadership, conference, The Journal Technology, Management, and Applied Engineering and Program Accreditation
- **ATMAE Insider** – provides members information on ATMAE activities, leadership, updates on the Annual Conference, and the latest developments in the professions
- **ATMAE Annual Conference** – Enjoy discounted member rates that allow our members to present research and project activity, attend workshops on the latest technology, participate in student competitions (Robotics, Technology Challenge and Virtual Welding), go on tours, and network with leaders in the Applied Engineering, Engineering Technology, Industrial Technology and Technology Management professions.
- **The Journal Technology, Management, and Applied Engineering** – features peer-reviewed scholarly research papers (members do not pay a publishing fee)

CERTIFICATION

Certification shows employers, potential employers and colleagues that you have met a high standard of educational prerequisites and have passed the ATMAE Certification Exam. It also promotes the educational discipline and profession of Applied Technology, Applied Engineering & Technology Management and the skills and careers of our members.

We provide Certification in the following areas:

- **Certified Technology Manager (CTM)** – Broad based multi-disciplinary program.
- **Certified Manufacturing Specialist (CMS)** – Strong emphasis on manufacturing program.
- **Certified Technical Professional (CTP)** – Strong emphasis on technology, without the management component.
- **Certified Engineering Graphics (CEG)** – Engineering Graphic Standards and Practices, not software specific.

We also offer Senior Certifications for those that want to pursue additional learning opportunities. A Senior Designation (CSTM, CSMS, CSTP, CSEG) requires 3 years, or more, of experience, as well as 30 Professional Development Units (PDUs) in a three year period to qualify, and then 30 hours every three years to maintain the Certification.

MEMBERSHIP APPLICATION

Use the online "Join ATMAE" link at atmae.org or complete this form and mail/fax/ email it to the ATMAE Office.

Membership Information:

Title: _____ Name: _____

Preferred Mailing Address: Home Address

How would you prefer to receive the *ATMAE Insider* newsletter? Mail E-mail

Street Address: _____

City/State/Zip: _____

Phone: _____

Email: _____

School or Company: _____

Date of Graduation: _____ Age: _____

Membership Type and Annual Dues:

- Professional (2 year Academic) Membership _____ \$100.00
- Professional (4 Year Academic) Membership _____ \$100.00
- Professional (Industry) Membership _____ \$100.00
- Student/Retired Membership _____ \$25.00
