As a life long equestrian trail user, second generation trail advocate and in the interest of elevating service to the members and mission of Back Country Horsemen of America, I am seeking the opportunity to serve in the position of Treasurer.

Utilizing my accounting background and diverse practical experience working with user groups, public and private organizations, and state and federal agencies, I would strive to offer an innovative perspective to establish partnerships, combine forces and facilitate continued growth and success as we work to fulfill our purpose and mission to “Keep Trails Open for All.”

Education:

(1981-1987) Missouri State University (formally Southwest Missouri State University)
Accounting

Professional:

Accounting experience includes Budgeting, General Ledger, Job Cost, Accounts Receivable, Accounts Payable and Payroll.

Management experience includes negotiating contracts, submitting and expediting permits, coordinating developers, owners, architects, engineers and subcontractors.
