

## Annual Conference - Speaker Application Marriott Copley Square, Boston, Massachusetts May 21-23, 2018

BFMA is looking for dynamic, innovative forms and business process professionals to share their knowledge and/or experiences at our annual conference. We are interested in success stories, case studies and “how to”.

### Why you should speak at our conference:

- Increase your exposure as a speaker and leader via the conference marketing materials
- Widen your reputation and be recognized as an expert in the industry
- Expand your portfolio and network with other industry professionals/topic experts
- Receive free conference registration and access to the conference. *(One speaker per session. If a second presenter is required, his/her qualifications and an explanation of the need for multiple presenters should accompany your application.)*

### Application Deadline: September 1, 2017

Electronic submission is preferred. If you have trouble with automatic submission, save the file and e-mail your application to [metassin@outlook.com](mailto:metassin@outlook.com).

### Hot Topics *(Please don't feel limited to these topics. We want to hear your opinion on new trending ideas):*

- Accessibility
