This one-day refresher workshop is for those preparing to take the CFM Exam. It is intended to supplement a solid base of experience in the field of floodplain management, reading, and self-study methods in preparation to take the National CFM exam. This workshop is not a replacement for studying. Participants should not expect to complete this workshop and pass the CFM Exam without additional study. This workshop is targeted at seasoned professionals who have read [FEMA 480](#) and have studied the materials on the [CFM® Exam Prep guide](#) from ASFPM's website prior to attending.
