

California Association for the Gifted
54th Annual Conference
Parents' Day Pre-Con
Unlocking Your Child's
Potential...Parenting Gifted Children

This one day event will focus on three specific areas of parenting your gifted child:

- **Social and Emotional:** Understanding common traits of gifted children and practical strategies for parenting
- **Advocacy in Action:** In the classroom, in your school and within the district
- **Curriculum and Instruction:** Ensuring your child's work is appropriately challenging and contains depth and complexity
