

HIPAA 2.0 Program and Lunch

The Cooperative of American Physicians, Inc. (CAP) is proud to join the Los Angeles Medical Group Managers Association (LAMGMA) in hosting a, no-obligation risk management presentation designed to help physicians run safer, more successful practices.

The program objectives are:

This presentation will provide valuable guidance on how to best meet the demands for sharing timely and accurate data among providers, facilities, payers and patients, in compliance with the Health Insurance Portability and Accountability Act (HIPAA).

Included in this presentation are tools to ensure your office is in compliance including:

- Documents to ensure compliance
 - Notice of Privacy Practice
 - Patient Acknowledgement Forms
 - Request to Restrict Protected Health Information
 - Business Associates Agreements
- HIPAA Checklist for you and your office staff

We look forward to seeing you at this informative and interactive program.
