Dear Sara and Members of CFE,

On behalf of New Moms, thank you for your generous award in the amount of \$25,000, towards the purchase of a new (to us) van, delivery assistance, and technology upgrades. We are thrilled to partner with CFE, and to honor the legacy of Cynthia Lafuente.

With this gift, we will be able to further our mission—allowing us to increase our social enterprise income, while in turn increasing the workflow of our social enterprise—allowing us to provide transitional jobs to more adolescent parents. We know that completion of transitional jobs is a determining factor in whether our participants will obtain and retain quality employment—and that quality employment translates to improvements in every area of our young participant families' lives.

The young families we serve are grateful for the opportunities they have through New Moms – and that is only possible because of your partnership and generosity. We look forward to updating you on our progress throughout the coming year. Thank you for supporting our participants' transformation!

With Sincere Regards,

Laura Zumdahl, Ph.D.
