[Michelle Moreno](#) has been nominated to join the committee for the CFA Society of Chicago that awards The Hortense Friedman Award, presented at the CFA Chicago Annual Dinner by the Board of Directors to a Chicago-area investment community member who has demonstrated initiative, leadership and a commitment to professional excellence. Hortense Friedman was a well-known member of the Chicago-area investment community. She was affiliated with the University of Chicago between 1922 and 1969, where she was involved with investments for the Endowment Fund and helped pioneer a number of new investing initiatives. Hortense, along with 11 others, was a founding member of what was formerly the Investment Analysts Society of Chicago, and she served on the first Board of Directors. She was a member of the Institute of Chartered Financial Analysts and was awarded the CFA designation in 1964 (Charter Number 354). This year's recipient is Gary Brinson. [Karen Wuertz](#) was accepted and attended a 5 day Leadership Program conducted by Notre Dame Executive Education. It was truly a journey of self-awareness and transformation. It was one of the most exhausting and rewarding weeks of Karen's life. The program only accepts applicants who are accomplished leaders with over 15 years of leadership experience. The program allows you to spend an entire week working on a business issue of your choice with input from program leaders and fellow program participants. The program also allows you to participate in a very robust feedback instrument with comparative data from other leaders from various industries. Leo Burke, the program director, knows that great leaders have great self understanding. The strength of this program is that it really challenges you to face what you stand for, to know yourself and to live an authentic life grounded in your values. If you want any more information about this program, feel free to contact Karen at [kwuertz@nfa.futures.org](mailto:kwuertz@nfa.futures.org) or go the program's website at [www.executive.nd.edu/leadership](http://www.executive.nd.edu/leadership).

### Membership Committee

The committee also reminds members that all new member candidates must be pre-qualified before the nomination process can begin. To assist members and the committee in pre-qualifying candidates, the committee has created a new member questionnaire form. Members looking to pre-qualify candidates are asked to complete this form and submit it to the CFE office or a member of the committee for pre-qualification. THIS FORM SHOULD BE FILLED OUT BY THE SPONSORING MEMBER, NOT THE CANDIDATE. Contact the CFE Administrative Office at [chgoфинex@aol.com](mailto:chgoфинex@aol.com) for a copy of this form.

The Committee remains focused on the senior-most professional women in Chicago area organizations and encourages every member to consider possible candidates. ### **CFE on LinkedIn**

The Chicago Finance Exchange has a members-only group on LinkedIn. We post open positions and host discussions on the site. If you already have a LinkedIn profile, just search on Groups for "Chicago Finance Exchange" and click on "Join this group." We hope you join us!

### **MEMBER-TO-MEMBER**

Please note: The MTM Committee is putting their planned Segway event on hold until next year.

### **Philanthropy Committee**

The CFE Philanthropy Committee delivered four of its financial literacy sessions this year to the employees of The Enterprising Kitchen (TEK). The Enterprising Kitchen is a unique organization that helps disadvantaged women build workplace skills. This nonprofit social enterprise manufactures and sells natural soaps and spa products. These products can be ordered online. For more information, please view [www.theenterprisingkitchen.org](http://www.theenterprisingkitchen.org).

TEK has a new Executive Director, Carolyn Nopar. She is very pleased that The Chicago Finance Exchange partners with TEK to deliver financial literacy information to the disadvantaged women who are employed by TEK. Carolyn Nopar is very enthusiastic and has some wonderful ideas as to how CFE can modify its existing program to better benefit the women at TEK.

It has been some time since the Philanthropy Committee evaluated its program and/or significantly modified the material delivered to TEK employees. Therefore, the Philanthropy Committee is holding a meeting on September 21 with the new Executive Director to discuss how we can build on our existing program. We hope that all existing and potential Philanthropy Committee members will be able to attend. Details of the luncheon are as follows:

CFE Philanthropy Committee Luncheon  
Tuesday - September 21, 2010  
12:00 Noon  
Karen Wuertz's offices at:  
National Futures Association  
300 South Riverside Plaza  
18th Floor (North)  
Chicago, IL 60606

Please check in with building security located in the center of the lobby, then proceed to the 18th floor using the elevators closest to the Jackson Street entrance.

The committee is always seeking more volunteers to participate in our program with TEK. For CFE members who may be interested in getting more involved with CFE, now may be the time to join the Philanthropy Committee as we embark on an evaluation of new ideas to help TEK employees. It is a great way to meet other CFE members and it is both fun and very rewarding.

If you are interested in getting involved, please contact committee chairs [Karen Wuertz](mailto:kwuertz@nfa.futures.org) ([kwuertz@nfa.futures.org](mailto:kwuertz@nfa.futures.org)) or [Debbi Gillespie](mailto:digillespie@joycefdn.org) ([digillespie@joycefdn.org](mailto:digillespie@joycefdn.org)) if you would like to participate in the Philanthropy Committee activities.
