## Have You Heard About Alumni Clubs?

We all know that Chi Psi is more than just four years of college. It's a lifetime Brotherhood, but knowing that and living it are two very different things. Maintaining a connection with Brothers after graduation can become significantly more difficult without the daily interactions provided by the Alpha. With this in mind, Chi Psi has begun an initiative to develop new Alumni Clubs in several major metropolitan areas:

- [Atlanta](#)
- [Charlotte](#)
- [Chicago](#)
- [Los Angeles](#)
- [New York City](#)
- [San Francisco](#)
