### Congratulations to our 2010-2011 Gamma Sigma Alpha Initiates

Gamma Sigma Alpha National Academic Greek Honor Society (GSA) is the premier organization committed to the academic success of our members and alignment with the academic missions of our host institutions. Students are eligible for membership based on grade point average and membership in a Greek fraternity or sorority. [Read more...](#)

### Central Office Flies University of South Carolina Flag

For the second year in a row, the Central Office has flown the University of South Carolina flag in recognition of the most recent national championship at a Chi Psi school. The Brothers of Alpha Beta presented the flag pictured above to the Fraternity in honor of the University of South Carolina National Championship Baseball Team. [Read more...](#)

### Central Office Flies University of Virginia Flag

The Central Office has received and flown the University of Virginia flag in recognition of the most recent national championship at a Chi Psi school. The Brothers of Omicron presented the flag pictured above to the Fraternity in honor of the University of Virginia men's lacrosse team's national championship win. [Read more...](#)

### Alexander Miller, X '10, Wins Fulbright Fellowship

### Is your Alpha clueless?

Let me tell you about my great friend and Brother Mike Kula, Rho Delta '09. Mike is easily one of the most \_\_\_\_\_ people I know. I tried four different words in that blank. None of them work. I can't ever describe Mike to people. Mike is OBSESSED with Colin Cowherd.

In case you don't know about Colin Cowherd (have you been living under a rock?) he is the host of a daily ESPN Radio show where he tells the blunt truth. The man is brilliant, callous, hilarious, and almost always right. He infuriates people but that's mostly because he expresses his opinions with such painful truth.

Colin Cowherd frequently rants. Youtube him, and you'll find dozens of rants. Today, I offer you Colin's rant on 'Withitness.' Yes, with-it-ness. Colin will explain... [Read more...](#)
