

PATRON FUND

The **CLLA Patron Fund** provides an excellent means for **CLLA** members to give something back to their association.

The Fund was established in 1963 and has a proud tradition of supporting the League and its endeavors. Patron Fund contributions create a financial reservoir that allows the League to underwrite worthy projects without the need for special fund drives. Patron Fund grants have been used to finance a variety of programs and projects that benefit our members and increase the overall visibility and viability of the League. In recent years, grants have been awarded to:

- * the CLLA Bankruptcy Section * the Complex Commercial Litigation Committee *
- * the Membership Development Committee * the Construction Litigation Committee *
- * the Young Members Section * the CLLA for Listerv Technology *
- * the National Education Committee to produce teleseminars *
- * the CLLA commissioned to prepare FTC white paper promoting changes to FDCPA *

All League members are invited to join this esteemed group of colleagues by simply completing the pledge form below. Your pledge is a meaningful way to demonstrate your commitment to the Commercial Law League of America®.

Contributing companies or firms are recognized by publication in the Patron Roster and by special designation as Patrons on conference badges for their members.
