

CLLA Member-Get-a-Member Campaign

As a Member of the CLLA, you are eligible for our member recruiting program. The more members you bring in, the more you save!

We are offering you a 50% reduction in your upcoming renewal dues for the first new member* you bring into the League. If you bring in two new members, your membership dues will be waived for this upcoming fiscal year!

When we say we appreciate your referrals, we mean it.

*This will only apply to full price (attorney, agency, debt buyers, turnaround managers, law list, paralegal, and vendor) memberships. The non-member must have been out of the League for at least one fiscal year.
