

## SESJA/SESSION D

# E-ZDROWIE W POLSCE I EUROPIE JOINING THE DOTS OF E-HEALTH ACROSS EUROPE TO DELIVER ACCESS AND INNOVATION TO MARKETS

SESJA EUROPEAN CONNECTED HEALTH ALLIANCE  
AUDOTYTORIUM / AUDITORIUM (POZIOM I/LEVEL I)

◀ Sesja w języku angielskim z tłumaczeniem simultanicznym

This session will be held in English. Simultaneous translation available.

Spojrzenie na inicjatywy i projekty e-zdrowia realizowane w różnych częściach Europy.

Zagraniczni goście specjalni zaprezentują strategie digitalizacji, inicjatywy regionalne, przykłady innowacyjnych ekosystemów wspierających nowoczesną medycynę przyszłości.

E-health is changing healthcare across Europe.

Let's take a journey through different countries and initiatives and find out the new possibilities for collaboration in healthcare. This session, organized with European Connected Health Alliance, will bring together digital health experts from different EU countries.

Główne zagadnienia sesji | Main topics:

Współpraca w e-zdrowiu pomiędzy państwami UE | E-health cooperation among EU countries

Ekosystemy e-zdrowia | E-health ecosystems

Przyszłość ochrony zdrowia | The future of healthcare

Otwarty elektroniczny rekord pacjenta | Open electronic medical record

Integracja i koordynacja opieki | Integration and coordination of care
