Scholarships, *Evidence-Based Practice*
May 2015, and this month's PURLs
journal club toolkit

FPIN Community Bulletin

May 2015

Good Evening <<First Name>>,

Get results faster with an FPIN writing workshop!

For the first time ever, FPIN is offering scholarships to support funding for the onsite workshops we offer. A full scholarship will be awarded to ONE program in the amount of \$5500 and 19 scholarships will be awarded in amount of \$1000. These workshops are designed to help jumpstart scholarly activity at residency programs and **WE'RE EXTENDING THE DEADLINE FOR APPLICATIONS (JULY 21, 2015)!**

Benefits of an FPIN workshop:

- Faculty development opportunity and on-sight coaching from an FPIN faculty leader.

- Programs that publish manuscripts following the FPIN writing workshop model publish 56% faster than programs that implement FPIN scholarly projects without hands-on training workshops for faculty.
- FPIN published authors report a higher degree of satisfaction having had learned the foundational EBM concepts in the FPIN model of writing workshops.

Learn more and apply:

For further information on FPIN workshops, selection criteria and to complete the workshop scholarship application, please visit our [website](http://www.fpin.org/institute).

The FPIN Institute has moved to www.fpin.org/institute. Be sure to log in with your universal password: **scholarship1415** and check it out!

FPIN presents Evidence-Based Practice

This issue highlights these topics and more!

- Office-based literacy interventions to promote language development in children
