2016 Workshop Scholarships!

Have you ever wondered . . .

“Why can’t it be easier to do research and scholarly activity?”
FPIN’s onsite HDA Workshops may just be your answer!

Our onsite workshops include:

- 4.5 hours of facilitated writing groups conducted onsite at your residency program
- Custom curriculum, focusing on faculty mentoring and/or resident writing
- Time management & implementation: Teaching tried-and-true techniques from across the consortium
- Most participants will be at least 40% complete with their first draft by the end of the workshop!

To Kick off the Start of the 2016-2017 Academic Year FPIN is Awarding 10 Workshop Scholarships!

- A full scholarship will be awarded for an all-expense paid onsite workshop (*valued at \$5500*).
- (9) \$1000 scholarships will be awarded towards the purchase of an onsite workshop.

Application deadline is July 30, 2016

****Scholarship award recipients will be notified by August 30, 2016****

FPIN is excited to announce the new launch of our website!

We are happy to announce that we will moving to a new, membership platform in August. The new website will be more user friendly and provide more individualized service for our members. Once the new website is complete, our membership department will be sending profile lists to programs for updated records of their faculty and residents. Keep your eyes peeled for this communication!

ATTENTION: News from the *Evidence-Based Practice* Editorial Staff

Please note that due to lack of participation, *Evidence-Based Practice* no longer offers CME. If you have any questions or concerns regarding this, please don't hesitate to contact us at ebp@fpin.org.
