FPIN is applying for MEDLINE® indexing... *Evidence-Based Practice* October 2016 and this month's PURLs Journal Club toolkit

October 2016 Membership Bulletin

We are excited to share that FPIN will be applying for **MEDLINE® indexing** for its journal, *Evidence-Based Practice*, by February 2017! As part of this initiative, we are proud to debut a new cover for *EBP*. Please email Adelina Colbert at adelina@fpin.org if you have any questions regarding this process.

FPIN presents Evidence-Based Practice

October issue highlights:

- Risks and benefits of discontinuing bisphosphonate therapy
- Garcinia cambogia and weight loss
- Age for starting mammography screening for breast cancer
