

## 2016 Price List for Evidence-Based Practice

### EBP Overview:

- EBP is written by physicians for physicians, without industry support or bias.
- EBP is published monthly (2016: Volume 19, Numbers 1 through 12), and can be started from the current issue at any point during the year.
- Each issue contains 15 pages of evidence-based medicine articles and US personal subscriptions, plus bonus electronic only content available online.
- Subscribers may choose either print OR electronic (email) delivery at the prices listed below.
- Electronic delivery is in PDF format to a secure email address. Subscribers who select electronic delivery should send the delivery email address to [ebp@fpin.org](mailto:ebp@fpin.org) at the time the order is placed.
- Subscribers who would like to receive both print AND electronic copies, please add 10% to prices listed below.
- Access to the EBP Archives for institutional subscribers is \$500.00 per facility per year for internal use only. Multi-facility discounts are available.
- Backorders: *Evidence-Based Practice* charges \$17 to replace any issue that is reported missing or damaged greater than 3 months after publication. For example, you have until the end of December 2016 to report a missing or damaged September 2016 issue. (The replacement fee is \$20 per issue for international customers.)
- International issues are mailed by surface mail.
- EBP accepts both checks and credit cards (Mastercard, Visa, and American Express). All funds must be in U.S. currency.
- Subscription agencies receive a 5% discount.
- Please send subscription orders and claims to:
