- Basel is located on the Rhine river, where Switzerland, Germany, and France meet
- While not very big, the city has a strong cultural and cosmopolitan flair
- It was the University of Basel who called on famous *Erasmus of Rotterdam* as a professor 550 years ago
- The University and the University hospital will offer venues, creating an interdisciplinary atmosphere
- **All these are in walking distance to the City Center**

# How to get to Basel (20 mins. by bus from airport to city center)
