AS CERTIFIED BY DIRECT IMPAQT
A DIVISION OF MAIL & MORE, INC.
JUNE 22, 2017 8:00 A.M.

Summary of Ballots Received or Returned

There were a total of 1,997 Ballots mailed. There were 499 ballots received in the office postmarked no later than June 9, 2016. There were 11 ballots returned unopened by the post office marked as undeliverable or return to sender. Two ballots were invalid due to no signature. Two ballots were invalid due to marking more than 4 candidates.

Verification of Ballots and Counting Procedure

1. Each ballot was examined by two people at different times to validate the name, and unique ballot number to ensure a legal ballot.
2. All legal ballots were examined by two people for irregularities in voting which would cause exclusion from vote counting. The result of this examination was that two ballots were not counted due to no signature and two ballots invalid due to marking more than 4 candidates. The invalids and therefore, not counted, ballots did not change the outcome of the election.
3. All valid ballots were counted two times and all totals were crosschecked.
