

2017 Rx Mixer Prospectus

Join us as we gather for the **13th Annual Rx Mixer: Rx Around the Clock**, a fundraising event with a 50's theme to be held at the Washington Marriott Wardman Park on Sunday, June 11, 2017 benefiting the IACP Foundation! The IACP Foundation is the **only** foundation established to benefit pharmacy compounding. Ah, the 50's, a simpler time when drive-ins, soda fountains and poodle skirts were all the rage. Our guests will be treated to a fun evening of classic food, cold drinks, fellowship, casino games and a sock hop to dance the night away. Try your hand at the Live Auction, Big Board, Silent Auction and the Reverse Draw! All for a really good cause as we support the IACP Foundation's research and education initiatives. As we gather again with our colleagues and friends, we want to emphasize that Rx Mixer is much more than a fun party. This event is one of the primary ways we have to fund a vitally important mission – to support the quality, integrity, and advancement of pharmacy compounding and its practitioners for the benefit of patients. We hope you will make it a commitment to join us at this important event!

Why should you contribute to the IACP Foundation's 13th Annual Rx Mixer: Rx Around the Clock?

Very simply, you are helping to ensure the future of compounding....

The IACP Foundation is a non-profit 501(c)(3) educational foundation and serves as the charitable extension of IACP with a mission to fund research and educational initiatives to advance the art and science of pharmacy compounding.

Each year, the IACP Foundation's activities include:

- Funding innovative programs and research initiatives that enhance the quality, safety, responsiveness, and credibility of pharmacy compounding;
- Encouraging curricular endorsement of the fundamental proficiencies essential to compounding pharmacists through alliances with educational institutions and accreditation bodies; and
- Sponsoring public education programs that aspire to acquaint health care professionals and the public with the services and issues related to pharmacy compounding.

Your support and involvement is crucial in raising funds for the IACP Foundation so that we can continue the good work we started more than 13 years ago.

Who attends the Rx Mixer?

The Rx Mixer is attended by top compounding pharmacists and technicians from across the country. Attendees are the leaders in the compounding profession and the decision makers in the pharmacy. Attendees truly understand the importance of the advancement of pharmacy compounding and supporting the Rx Mixer's goal to raise funds for research and educational initiatives. We anticipate hosting more than 200 attendees in 2017.

Great location for two great events – the Rx Mixer and CCH

The Rx Mixer will take place on Sunday, June 11th as a key component of IACP's Annual *Compounders on Capitol Hill* (CCH). In 2017, the Rx Mixer and the 23rd Annual *Compounders on Capitol Hill* will be held at the Washington Marriott Wardman Park (2660 Woodley Road NW, Washington, D.C. 20008). When you arrive at the Washington Marriott Wardman Park, you'll find a charming neighborhood in the heart of Washington, DC filled with amazing restaurants and quaint shops. Just a few steps away, you'll discover the funky stores and ethnic cuisine of Adams Morgan or the exciting nightlife of Dupont Circle. Head north to hear the sounds of animals coming from the National

Zoo. With a Metro stop just outside the doors and area airports close by, it's a premier city destination just two Metro stops from everything DC has to offer.
