

## **Adult-Adolescent SANE Training Outline**

This course is comprised of 11 modules offering a total of 41 ANCC Approved CE. Each module has a pre and post test. Before beginning this training, please check the training requirements in your facility/state/region as requirements vary.

This training will cover the didactic (classroom) portion of your training. You can arrange your own preceptorship locally. For more information, see the [Clinical Education Information](#) on the IAFN website.

This is a self-paced course. You have 12 weeks to complete it from the time you first launch the introductory module. However, you can work on it at any time of the day or night. There are no live components to it.

### **Instructors include:**

- Jennifer Pierce-Weeks, RN, SANE-A, SANE-P
- Kim Day, RN, SANE-A, SANE-P
- Detective James Markey
- Criminalist Kermit Channell
