## SUBMIT OR NOMINATE

Are you interested in

- 1) presenting a webinar or in-person workshop or session,
- 2) facilitating a panel, or
- 3) helping develop a series for ILF? Please submit this form.

Find more at [www.ilfonline.org](http://www.ilfonline.org)

Please review [full detail](#) and [submit](#).

## DESIRED CONTENT

- innovations few have seen before in technology, programming and partnerships
  - best practices in serving populations: non-English speaking families; immigrants; homeless children and families; “over-scheduled” children; and families involved with child protection, mental health, addiction or justice systems
  - train-the-trainer workshop or series
  - leadership for all positions in the library
  - excellent customer service for all positions in the library
  - developing the employees of the future
  - change management, particularly how libraries might adapt for the future
  - best practices for trustees
- in addition to sessions targeting all the different positions and skills within a library.
