

Job Title: Project Manager

Salary/Compensation: Negotiable

Location of position: Boston, Massachusetts

Employer: Stantec

Description of employer:

Stantec is one of the largest employers of full-time, experienced environmental professionals in the eastern United States. Our Environmental Services group is dedicated to managing environmental issues proactively and professionally. We focus on hiring talented, enthusiastic, and hard-working individuals that have a keen interest in the natural sciences and a commitment to working in a team-based environment.

Work schedule: 40 hours a week

General Job description:

Stantec's Environmental Services practice seeks an experienced natural resources professional to provide project management, environmental regulatory and permitting support, and other services for a diverse array project types and clients.

Qualifications:

- Bachelor's degree in natural sciences, environmental policy, or related field;
- Minimum 5 years of progressively responsible consulting experience related to natural resource regulatory support and/or environmental planning;
- Significant experience with local, state and federal environmental regulations and permitting in Massachusetts, including experience with the Massachusetts Wetlands Protection Act, Public Waterfront Act (Chapter 91), Sections 401 and 404 of the Clean Water Act, the Massachusetts Environmental Policy Act, and state- and federally listed species regulations and permitting.
