

# MISSOURI SCHOOL LIBRARY SNAPSHOT DAY

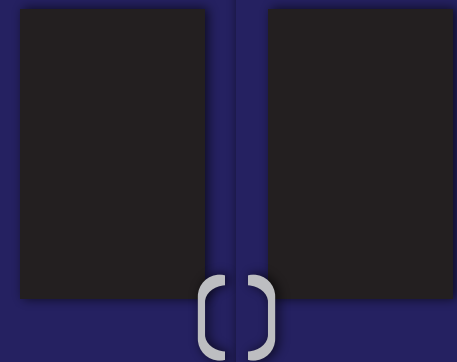

On March 30 and 31, 2017 school libraries across Missouri participated in Missouri School Library Snapshot Day. School librarians collected data, comments, and photographs regarding the activities in their libraries on a typical school day. More than 120 school libraries in Missouri participated in the event. More results, comments, and photographs are available at [masonline.org](http://masonline.org). Snapshot Day is sponsored by the Missouri Association of School Librarians.
