WHERE DOES YOUR \$15 DONATION GO?

The mission of the Maricopa County Bar Foundation is to support the justice-related public service and educational activities of the Maricopa County Bar Association and other organizations, and to support local pro bono legal service providers that serve low income residents of Maricopa County.

- Probate Legal Assistance Program (P.L.A.P.) offers free legal advice to families of limited means who, after the death of a loved one, are left facing the challenges of probate. Started in 2011, this free legal service clinic has helped over 200 families navigate the probate process.
- Legal Assistance to Woman & Shelters (L.A.W.S.) program offers free legal clinics at local domestic violence and homeless shelters. These clinics help women escaping from dangerous situations obtain Orders of Protection, advice regarding divorce, child custody assistance, and general help with other pressing legal issues.
- Disabled American Veterans (DAV) Veteran Legal Clinics. The clinics occur around the State and offer one-on-one legal advice on civil matters and simple will and Powers of Attorney preparation for veterans.
