State Board-Continuing Education Unit (SB-CEU) Program

Who is eligible to use SB-CEUs for certificate renewal?

Individuals who hold the following certificates are eligible to use SB-CEUs for certificate renewal every five years:

1. 1. The Professional Education Certificate
2. 2. The Occupation Education Certificate
3. 3. The School of Psychologist Certificate

The above certificates require renewal every five years. The renewal requirement includes the completion of six semester hours of appropriate coursework through an approved institution, 18 SB-CEUs, or a combination of both. School Administrators are required to complete six semester hours, 18 SB-CEUs, or a combination of both every five years for continued employment.

What are SB-CEUs?

State Board-Continuing Education Units (SB-CEUs) are State Board-approved in-service, workshop, training, or conference credits that are used for the renewal of selected certificates issued by the Michigan Department of Education (MDE). SB-CEUs are calculated by dividing the total number of contact or instructional hours by the number ten. Thus, an 8-hour session would be eligible to receive eight tenths (.8) of an SB-CEU.

Significance of SB-CEU

Generic CEUs cannot be used toward renewal of Michigan Teacher or School Psychologist Certificate. Only State approved SB-CEU training counts toward certificate renewal. Training programs and/or conference sponsored by an authorized provider of the International Association for Continuing Education and Training (IACET) may be eligible for SB-CEUs via a collaborative agreement between MDE and IACET

SB-CEU Record Keeping

Both the approved SB-CEU sponsor and the individual are responsible for record keeping. The sponsors are required to collect and maintain records of all eligible participants who request SB-CEU credit. Participants are responsible for maintaining certificates of completion for all SB-CEU programs for which credit was granted. If a certificate of completion is lost, the program sponsor can be contacted for duplicate copy of the SB-CEU transcript.

Non-traditional activities eligible to receive SB-CEU credit

In addition to traditional workshops, seminars and conferences, the following non-traditional professional development activities, upon meeting the appropriate application process, are eligible for SB-CEU credit. These SB-CEU activities are as follows:

2. 2. Serving as a Supervising Teacher
