Association for Consortium Leadership

As a service to the higher education community, the Association for Consortium Leadership (ACL) is conducting a survey of consortium and center staff compensation. Your participation in this survey is requested and is completely voluntary. The survey should be completed by **December 20, 2010**. A summary of responses will be published in a report and will be available from ACL at a future time. Responses from individual consortia are strictly confidential. Neither individuals nor organizations will be identified when survey results are reported. Please contact Dr. Julie Goldman at julie.goldman@secac.net or Ms. Nicola Beltz, ACL Director of Programs, at nicolabelt@aol.com if you have questions about this survey.

For the purpose of this survey we use consortium and center interchangeably. For simplicity we chose to use the term “consortium.” The survey will take approximately twenty minutes to complete. Your participation in this survey is completely voluntary. If you are not comfortable answering questions you may cease the survey at anytime. There are no financial incentives for participation. Your information will remain strictly confidential.
