

CA 50-Hour Basic X-ray Programs

The North Carolina Chiropractic Association sponsors 50-hour basic X-ray training programs for chiropractic assistants. The classes meet the minimum requirement for basic X-ray proficiency as directed by the North Carolina State Board of Chiropractic Examiners (NCBOE), effective July 1, 1990. Exams will be given under the auspices of the NCBOE. Each module provides the attendee with the required knowledge and training to assist the doctor of chiropractic in taking and processing X-rays of the appendicular and axial skeleton. The next module is listed below.

Please note that in order to sit for the X-Ray certification exam you must register with the NC Board of Chiropractic Examiners. Please consult their website for deadlines and steps to obtain certification.

Module 77

Instructor: Dr. Gene Lewis

Location: Location TBD

To help reduce your travel costs, the first two weekends of this module will be conducted online. It will take place on the weekend listed below. Technical requirements and instructions will be sent closer to the class.
